

#podCrashing

Your Place. Their Stories. Our Audience.

Why podcast?

Podcasts and podcast advertising are rapidly becoming one of the most prominent forms of media-based marketing and storytelling. Over 75% of the population now listens to podcasts with an increase of over 10 million people in the last year alone.

They're different. They allow for multitasking. They're fast with regular access to information. They're entertaining. They're boundless. They're for you.

What is #podCrashing?

#podCrashing is an innovative new program developed by Tommy Whalen from the Framework Synergy. We come to **your space**, on **your time**, and help you **fulfill your auditory production needs**.

What does it cost for us to #podcrash?

We come to you - gear and all. \$150.

We mix/master/make your crash possible. \$50/hr

We host it on the platform of your choice (Spotify. Apple. Google. Amazon.)
(\$25/per month + \$50/hourly rate for maintenance)

Do you offer anything else?

Hell yes.

- Original composed & licensed music by one of our partners. (\$350)
- Seasoned professional voice actors (Starting @ \$300)
- Social Media Support (Starting @ \$200)
- You dream it. We'll figure it out. (Priceless)

Tommy Whalen (The Traveling Mr. T.)

Since 2004, Tommy has been writing and producing in the entertainment field and has worked on everything from website design to Hollywood productions.
